Submitted to His Highness.

Dr. B. Narasimha Iyengar, who was Deputy Director of Agriculture and also Head of the Chemical Section of the Department, has been appointed as Officiating Director of Agriculture with effect from 4th January 1935. In the vacancy consequent on the above appointment, the Director of Agriculture has proposed the following promotions:-

(1) Dr. V. K. Badami, L.Ag., Ph.D., Economic Botanist on Rs.640/- in grade Rs.250-30-700, plus an allowance of Rs.75/-, to be Deputy Director of Agriculture and started on the minimum pay of Rs.700/- plus the allowance of Rs.75/- which he is now getting.

(2) Mr. K. Bhima Rao, B.A., Head Quarter Assistant to the Director of Agriculture on Rs.375/-, to be appointed to the charge of the Chemical Section as Agricultural Chemist and started on a pay of Rs.400/- in the grade Rs.300-25-600.

(3) Mr. B. Shankara Rao Badami, Senior Assistant Chemist on Rs.350/-, to be appointed as Head Quarter Assistant and started on Rs.360/- in the grade Rs.200-40/2-400.

(5) Dr. L. S. Doraswamy, now doing duty as Botanist in the scheme of Thick-cane breeding under the Imperial Council of Agricultural Research, to be appointed Senior Assistant Botanist on Rs.175/- in grade Rs.125-25/2-300.

Proposals (4) and (5) above are not admissible in view of the fact that Dr. V. K. Badami will continue to be the Head of the Botanical Section even after his appointment as Deputy Director and the post of Economic Botanist will have to be kept unfilled so long as he continues to be the head of that Section. As regards the other proposals, the Financial Secretary is not in favour of starting any of the officers in the new grades on a pay higher than what they are now actually drawing. In conso-

nance with this view, the following proposals are permissible:-

(1) Dr. V. K. Badami to be Deputy Director of Agriculture on Rs.700/- in grade Rs.700-50/2-800 plus the allowance of Rs.75/- that he is now getting.

(2) Mr. K. Bhima Rao to be Agricultural Chemist on Rs.300-25-600 and started on his present pay of Rs.375/-.

SIR,

Subject: Appointment of Mr.K.Bhima Rao as Head-quarter Assistant:-

I have the honour to invite reference to Government order No.D.5341-2/A&E 222-33-2, dated 7th May 1934, sanctioning the appointment of Mr.K.Bhima Rao as Head Quarters Assistant on a salary of Rs.375/- per mensem, pending revision of the scales of pay and to state that, now that orders have been received regarding these, the question of fixing up Mr.Bhima Rao in the grade sanctioned for this post will have to be considered.

Mr.Bhima Rao has been Senior Assistant Chemist from 1st September 1919, and has been drawing a salary of Rs.350/- in the grade 150-20-350/- from 24th July 1928, i.e., for over 6 years, and is, besides, the seniormost officer in the -- Chemical Section for consideration to the place of Agricultural Chemist. In fact, Dr.Narasimha Iyengar, Deputy Director of Agriculture, has submitted his recommendation proposing Mr.Bhima Rao to be appointed as Agricultural Chemist. (Extract of his letter No.Ac.257/34-35 dated 6th October 1934 is herewith enclosed). I agree with Dr.Narasimha Iyengar as regards the claims of Mr.Bhima Rao for the place of Agricultural Chemist, but at the same time feel that I cannot spare him from his present post of Head Quarters Assistant, which he has been holding with

great credit and has been of considerable help to me in getting through ~~my~~ my very heavy office work. Deferring, therefore, for the time being, the question of filling up the post of Agricultural Chemist, I would like Mr.Bhima Rao to continue as Head Quarters Assistant without prejudice to his chances of promotion to the higher grade of Rs.300-25-600/-, as recommended by the Deputy Director, when it becomes necessary to relieve the latter of his charge of the Chemical Section.

According to the scale of pay now sanctioned for the post of Head Quarters Assistant, Mr.Bhima Rao's salary will have to be Rs. 360 plus 15, Personal Allowance, in the grade Rs. 200-40/2-400 on the date of his appointment, i.e., 15th March 1934, and he will have to wait till 15th March 1936 to draw the maximum pay of the grade of Rs.400/-. I feel it very unfair to keep ~~xxx~~ him on Rs.375/- for nearly two years to come to be given a petty increase of Rs.25/- after he has drawn Rs.350/- continuously for over 6 years, particularly in view of the fact that he has already put in more than 26 years of service, and is far senior to all the officers, who have had chances of rising to the grade, fixed for sectional Heads and Senior Assistant Directors. I strongly urge this point for the most sympathetic consideration of Government, and recommend that Mr.Bhima Rao be permitted to draw Rs.400/-, the maximum salary of his present appointment from 15-3-1934, the date on which he entered upon his duties as Head Quarters Assistant.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

Agricultural Chemist on Rs.300-25-600/- kept in abeyance as per G.O.No.3669-70/C.B.157-33-1 dated 5th June 1934.

In this connection, I beg to point out, that, since the re-organisation provides for a full time Deputy Director as well as an Agricultural Chemist, the claims of Mr.K.Bhima Rao,B.A., have to be considered. Before his transfer as Headquarters Assistant, he was the most senior of the Assistants and should have been promoted to the place of Agricultural Chemist as a matter of course when that post fell vacant. He has good experience of work in the section and is quite capable of carrying on the work of the section and is distinctly at a disadvantage by being appointed as Headquarters Assistant. My experience and supervisory guidance are always at the disposal of the section so long as I remain in the Department in any capacity whatever, and I strongly recommend that Mr.K.Bhima Rao be appointed as Agricultural Chemist. As he has drawn Rs.350/- for over 6 years, and is now drawing Rs.375/- as Headquarters Assistant, he may be started on Rs.400/-.

To

SIR,

With reference to my letter No.Roc.2140-Est.730 of 33-34, dated 7th November 1934, I have the honour to state that since the above recommendation was made, the situation has materially altered as Dr. B. Narasimha Iyengar who in addition to his duties of Deputy Director of Agriculture was also Agricultural Chemist, has been appointed officiating Director of Agriculture. He can therefore no longer continue as Agricultural Chemist in addition to his important duties as Head of the Department and the appointment of an Agricultural Chemist as a whole time officer is now imperative. The senior-most officer in the Agricultural Chemist's Section is Mr. K. Bhima Rao, now doing duty as Head Quarters Assistant to the Director and he has been recommended by Dr. B. Narasimha Iyengar for the post of Agricultural Chemist, as I have already stated in my letter under reference. I quite agree with him in this view and accordingly recommend, in modification of the proposal submitted to continue him as Head Quarters Assistant, that he may be appointed officiating Agricultural Chemist and given the pay of Rs.400/- in the new grade 300-25-600/-. I would point out that I have already indicated in my former letter that this arrangement would become neessary when Dr. B. Narasimha Iyengar has to be relieved of his duties of Deputy Director.

2. If the above proposals is approved and Mr. Bhima Rao

P.t.o.

is appointed officiating Agricultural Chemist, then, a suitable officer will have to be selected for the post of Head Quarters Assistant. I have given much consideration to this matter, and am of opinion that Mr. B. Sankar Rao Badami, now Senior Assistant Chemist, will be the best man for this place. Mr. B. Sankar Rao is the next senior officer in the Section and is now drawing a pay of Rs.350/-. He is a Master of Arts and therefore possesses very high academical qualification, which is an important requisite for this particular office. Mr. B. Sankar Rao is a very painstaking officer of sterling integrity of character and should prove very efficient and helpful as Head Quarters Assistant. I recommend therefore that he be appointed to act as Head Quarters Assistant in the present arrangement. He is now drawing Rs.350/-, the maximum of his present grade. I propose that he be started on Rs.360/- in the newly sanctioned grade of Rs.300-40/2-400/- of this appointment. The vacancy in the Chemical Section created by this promotion of Mr. Sankar Rao may be later on dealt with in the usual course.

I request that these arrangements may be approved immediately, so that they can take effect as soon as Dr. B. Narasimha Iyengar takes charge of my office.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

the Maharaja of Mysore, Development Department,

SIR,

In connection with the vacancies in the Department consequent on the appointment of Dr. B. Narasimha Iyengar as Offg. Director, I hav the honor to recommend for the favorable consideration of Government, t following arrangements:-

1. Dr. V.K. Badami, L.Ag., Ph.D., may be appointed as Offg.Deputy Director. Dr. Badami is the seniormost officer in the Department next to Dr. Narasimha Iyengar, has done outstanding work and been once before recommended for promotion by my predecessor. He has the best claim to the appointment and I accordingly strongly recommend him for the vacancy. He is now drawing Rs.640 in the grade Rs 250-30-700 and getting in addition an allowance of Rs.75. I recommend that this allowance may be continued and he be allowed to draw Rs.700 pay plus Rs.75 allowance.

2. For the post of Economic Botanist which will thus be vacated by Dr. Badami, I recommend that Mr. V.N. Ranganatha Rao, L.Ag., be appointed. Mr. Ranganatha Rao has put in 17 years of service and is the next seniormost officer in the Botany Section. He has done very good work in the improvement of cotton, and I think it will be a fitting recognition of his work that he should be promoted to this appointment. He may be given Rs.325 as the starting pay of the new grade of Rs.300-25-600 sanctioned to heads of scientific sections. He is at present drawing Rs.310.

3. For the post of Senior Assistant Botanist I strongly recommend that

ad

that Dr. L.S. Doraiswami now doing duty as Botanist in the Scheme of Thick Cane Breeding under the Imperial Council of Agricultural Research, be appointed. Dr. Doraiswami's high technical qualifications speak for themselves, and I can in addition testify to the very good work that he has been doing in the appointment he is holding at present. He may be started on a salary of Rs.175 in the grade Rs.125-25/2-300.

I have the honor tobe,

2nd January 1935

Dear Mr. Venkatanaranappa,

I find that one important point requires some elucidation in my letter No.Roc.2140-Est-703/33-34 dated 25th December 1934 proposing the appointment of Mr. K. Bhima Rao as Agricultural Chemist and of Mr. B. Sankara Rao Badami as Head Quarters Assistant, and that is as regards the date from which Mr. Bhima Rao should draw the pay of Rs.400/-. In my earlier letter No.Roc. 2140-Est.703/33-34 of the 7th November 1934, I have recommended the absorption of Mr. Bhima Rao as Head Quarters Assistant on Rs.400/- with effect from 15th March 1934 and he gets into the place of the Agricultural Chemist in continuation from the 4th January 1935. He should obviously therefore draw a pay of Rs.400/- from 15th March 1934 as Head Quarters Assistant upto the 4th January 1935 and thereafter as Agricultural Chemist in the grade Rs.300-25-600/-. I should be much obliged if you will kindly see that this is made clear in the Government Order to issue, so that there may be no audit trouble later on.

kvs. Thanking you,

I am,
Yours sincerely,

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of
Mysore, Development Department,
Bangalore.
